

Hello, Farmers and Breeders

I wish to call your attention to the Winton Hill Stock and Breeding Farm and invite you to call and see my Breeding Stock for the season of 1911. I have two fine Horses and two of the best Jacks in the County. Prompt service and a square deal—no waiting for a day or two.

Bon Cru 41419. The Great Percheron Draft Stallion, imported from France by Chas. R. Kirk of Charlton, Iowa. Bon Cru is six years old and has proved himself a great breeder.

Bon Cru will stand at \$10.00. Breeding certificate may be seen at my barn.

Denmark Henry. A Saddle Stallion coming two years old, dark Bay 16 hands high and as fine a Colt as you ever saw. Goes all the gates and is certainly going to make a great Saddle Horse, and will also be large and heavy enough to make and all purpose horse.

Denmark Henry will stand at ten dollars (\$10.00) to a limit number of mares only.

Judge Bradley. Is an extra good Jack 3 years old, stands 15½ hands high. Standard, is Black with White Points, large head and ears and an extra good large flat bone. You may look the county over and cannot beat Judge Bradley.

Judge Bradley will stand at \$12.50.

Joe Irvine. Is a fine big long rangy Black Jack with White points. Is 16 hands high, standard and smooth as a fine peach, has large head and ears and extra heavy bone. Joe Irvine is 4 years old and will stand at \$12.50.

All of the above stock will stand at my Winton Hill Stock and Breeding Farm at the following terms: I will insure a living Colt with the above stock where the mare is not sold or traded out of the neighborhood, but if sold or traded the service fee will be payable at once and will positively be collected. A lein will be reserved on mare or colt for service fee until service money is paid. Great care will be taken to prevent accidents, but will not be responsible should any occur. Will keep mares on pasture and try them regular at a reasonable price.

Mrs. Herman Wehking went to Kansas City last Saturday to spend the day.

A. B. Matthews wishing to learn the aviator trade went to Kansas City last Saturday. He may buy himself an aeroplane.

Sam Winn after a morning of honest toil in his blacksmith shop last Friday, went home at noon for his dinner. While he was gone the "spooks" got busy and made a "bogey" man. When he returned he found that he had been supplanted by a rival, for there he stood behind the anvil with iron rod in hand and hammer raised. A sign read "blacksmith wanted." Sam took it all in good humor as intended.

Peter Peters and wife came down from Kansas City last Saturday evening and remained over Sunday with relatives.

Mrs. Joe Simpson went to Odessa last Saturday and spent the day with friends and relatives.

Mrs. Mayme Morton and children of Malta Bend are visiting with Mrs. S. M. Greene this week.

W. H. Crum and daughters, and Jake Saylor of Malta Bend and Mr. Rector of Marshall stopped over here last Wednesday evening on their way to Malta Bend. Mr. Crum was returning from Kansas City with his new auto, bought through the agent, Mr. Rector.

The merchants of our town have had hitching racks put on the north side of the park, east of the Chinn building, and in the alley near the Kincheloe barn. They are substantially put up with hedge posts and wire rope with rings. There are no hitch-post on Marshall street, so when you come to town you will surely have a safe place to tie your horses.

F. W. Tappmeyer has cut the shade trees down in front of his house.

Mrs. A. Wiley, Miss Abbie B. Puckett and Mrs. C. W. Kincheloe were elected by the school board at their last meeting to teach our school the coming term.

We have a few Kentucky colts in our town and they know every mint patch in town. You can see them occasionally wend their way to them and get a large handful of mint. They say an old time Kentucky "mint Julip" this time of the year is very healthy. They look it.

Mrs. Georgie Skidmore and Miss Mora Tracey visited their brother, Charles, here last Tuesday.

Ruth Vanarsdall entertained several of her friends last Tuesday afternoon from 2 to 5 o'clock, it being her twelfth birthday.

Wm. Nolte is on the sick list this week. We hope his sickness will not prove serious.
